It Costs You Nothing To Consult Dr. Pierce by Letter

I INVITE you to consult the Medical Staff of the Invalids Hotel if you desire free medical advice. On receipt of your letter the Faculty will, after careful deliberation, prepare its opinion as to the nature of the case described and submit it to you; and if the case be one which they are confident of being able to treat by medicines specially prepared for use at home, they will state the cost of the necessary remedies. If the case described be one requiring a surgical operation or one which can, in their opinion, be successfully treated at the Institution by the X-Rays, Deep X-Ray Therapy, the Alpine Sun Lamp, Diathermy, the Radiant Light, or Deep Therapy Lamp, Static Electricity or the other physio-therapeutic apparatus, with all of which we are equipped, the terms for such treatment (including board) will be given.

Patients are never advised to incur the extra expense of visiting the Institution when it is believed they can be treated at home without a personal examination.

Yours for better health,
V. M. PIERCE, M. D.

DREAMS

IN most countries and in all ages dreams have been believed in by some people as indications of the future. This form of superstition arises out of the past and present acts of the dreamer. In most ancient days, in Egypt and Babylon, the monarch's dreams were interpreted by high state officials. The Greeks and the Romans very often consulted the oracles. An inquirer would sleep in the temple at night after performing certain rites, when his questions were supposed to be answered in dreams.

In modern times dreams are seldom heeded except by the superstitious, but at the same time, most people are interested in the mystery as to the cause of dreams which seem so far beyond the power of the will, and so we give here the common interpretation of dreams.

Food Did Not Digest Properly—Caused Gas

Oswego, N. Y. —"Dr. Pierce's Golden Medical Discovery is a remedy for digestive disorders that I take pleasure in recommending. Two bottles of it were very beneficial to me at a time when my food would not digest properly. It would sour and ferment, causing gas to form. My liver was sluggish and I was troubled with constipation. Since that time I have had but very little indigestion, can eat anything without fear of the acute spells that I used to have." — Mrs. Clara Kieper, 250 E. Second St. All dealers. Fluid or tablets.

Old-Time Bridal Superstitions

At the table, if two spoons are accidentally put down together, there will soon be a wedding in the family.

If, by chance, an unmarried woman or a bachelor be placed between a married couple at supper, that person will soon become engaged.

A strange white pigeon flying near a house is a sign that someone there will be married within a year.

To see a caged bird in one's dream indicates a forthcoming wedding.

How to Tell Whether You Will Marry Soon

A superstition about how a girl can find out if she will soon marry, is as follows:

She must find a green pea-pod with exactly nine peas in it, and hang it over the door of a room or entry-way without letting anybody know about it; she must then watch the door and see who goes through first. If it is an unmarried young man, or a bachelor, she will positively be married before the current crop of peas is disposed of; if it is a woman, she will have to sigh in single-blessedness another year.

Watch Your Step!

Between the calling of the banns and the wedding, the spirits of evil and envy are said to have great power. Therefore at this time the engaged couple should guard against a lovers' quarrel, exercise caution when going down stairs, not to stumble, and they should not be photographed together.

SNAKES OR SERPENTS.—To see one turning and winding means danger from enemies also sickness and hatred.

SHIPWRECK.—To dream you are shipwrecked is dangerous to all.

SHOOTING.—To dream you are out shooting is very favorable if you kill much game.

SNOW.—Snow is good. To the young it means they will marry and prosper.

STORMS.—That a reconciliation will take place.

SICKNESS.—Loneliness and imprisonment, tears.

TEARS.—To dream of shedding tears, means that you will speedily be happier.

UMBRELLA.—Denotes a sheltered and peaceful life.

VIOLETS.—In season, success; out of season, lawsuits.

VIOLIN.—Social pleasures.

WALKING.—In the dirt, sickness; in water, grief; in the night, trouble.

WATCH.—A good dream, success.

Mother of Four Children Tells Her Experience

Carson, Va.—"I am the mother of four children and am glad to state what Dr. Pierce's medicines have done for me. Motherhood was very distressing until my last experience when I took Dr. Pierce's Favorite Prescription, 'Golden Medical Discovery,' and the 'Anuric Tablets' every day, and I can surely say they are fine medicines. This is a picture of my little boy, Finley Pierce Reese. At three months, he weighed 22 lbs." —Mrs. S. D. Reese, Route 1. All dealers.

Anuric is a mild Diuretic Stimulant to the Kidneys

"Back Ached and Kidneys Acted too Freely"

Findlay, Ohio.—"There is nothing to equal Dr. Pierce's Anuric Tablets for weak kidneys.

I was having trouble with mine, they would act too freely. My back ached all the time and I had so much misery that I did not feel like doing anything that meant exertion. But, by the time I had taken two bottles of the 'Anuric Tablets' my kidneys were in fine condition, my backache disappeared and I have not been bothered with my kidneys since"—Mrs. A. H. Crozier, Rural Route 6, 1311 Byall Ave. All Dealers.

Do You Want Pink Cheeks?

Don't envy a pretty woman but be one. To have pink cheeks and bright eyes you must have red blood coursing in your veins. Do not depend on paint and powder but put iron in the blood. A beautiful complexion depends largely upon the blood.

Dr. Pierce's Irontic (iron-tonic) will help nature build up the red corpuscles.

You Need Iron in Your Blood!

Young women just at the threshold of womanhood and older women with thin blood need "IRONTIC."

If you feel weak and nervous, if your hands are cold and clammy, you need "IRONTIC," that improved iron tonic put up by Dr. Pierce and frequently prescribed in anemic cases by the physicians at the Invalids Hotel.

If Dr. Pierce's Irontic is not found at your druggist's, send 65c for a full size package, or 10c for a trial package to Dr. Pierce's Invalids Hotel, Buffalo, N. Y.

Here Comes the Bride

Old-Time Bridal Superstitions

A woman's happiness and that of those around her depend upon her health.

On no account should a bride or a bridegroom be handed a telegram on the way to church.

Right Foot First

The bride must be careful when leaving the church to put her right foot first. It is deemed most unfortunate for a bride to make the first step into the new world with the left foot.

To have an unequal number of guests at the wedding breakfast or supper is unlucky.

Sign of Another Wedding

If one of the bridesmaids immediately pours a kettle of hot water on the front doorsteps as the newly married couple leave the house for their honeymoon, there will, within twelve months, be another wedding in the group.

Favorite Prescription is a splendid tonic

One of Dr. Pierce's Lotion Tablets crushed and dissolved in hot water, makes an agreeable sanitary wash, for use by women.

Full directions for the use of the "Lotion Tablets" will be found in the package. Price 35 cents, at dealers or send that amount to Dr. Pierce's Invalids Hotel, Buffalo, N. Y., and receive them by return mail.

These Vaginal Suppositories are indicated where inflammation is suspected from the persistency of the discharge and its failure to yield, in due time, to the use of the Favorite Prescription, and the Lotion Tablet solution. Price 35 cents at your neighborhood store, or by mail.

The Trials of Young Womanhood

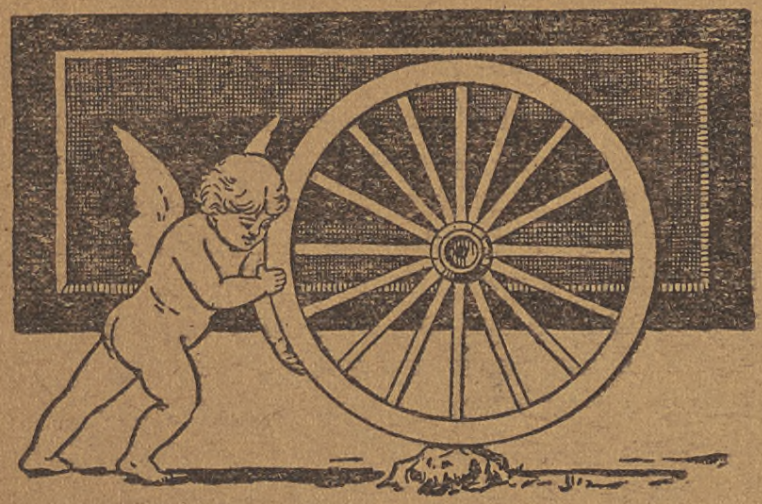
The first knowledge that the young girl has of womanhood is usually a painful one. She learns to know what headache means, and backache, and sometimes is sadly borne down by this new experience of life. Often many valuable days of school life are lost.

The pains and misery which young girls commonly experience at such a time may, in almost every instance, be entirely prevented, or overcome, by the use of Dr. Pierce's Prescription. It tones the general health and establishes regularity. Usually headache, backache, nervousness and other consequences of womanly weakness disappear.

A little attention to these details early in life has saved many a young woman years of suffering at more or less regular intervals.

Girls, give this Prescription (once used in active practice by Dr. R. V. Pierce) a trial. All druggists—fluid or tablets.

The Specialist in diseases of women at Dr. Pierce's Invalids Hotel, Buffalo, N. Y., will give you medical advice free.



Note the Month

The month in which a marriage takes place is supposed by the superstitious to exercise a great influence over the future of the partners.

JANUARY—If married in January, the wife will live longer than her husband.

FEBRUARY—In February, domestic happiness will prevail.

MARCH—In March, the couple will eventually make their home abroad.

APRIL—The April bride very decidedly rules the roost.

MAY—May is considered unlucky for weddings.

JUNE—June is an exceptionally lucky month and promises lasting love to its bridal couples.

JULY—July marriages are apt to be criss-crossed with sunshine and shadow.

AUGUST—August is noted for its ideally-mated couples.

SEPTEMBER—September marriages run a smooth, congenial course.

OCTOBER—October, either love or money will be lacking in the future for those who join hands this month.

NOVEMBER—November promises prosperity.

DECEMBER—December a life full of love.

Watch the Kidneys Before and After Childbirth

During the period of pregnancy the kidneys have double work to do, which is apt to strain and weaken them so that they break down and fail to keep up their work of filtering the poisons out of the bloodstream. This condition, unless looked after promptly, may kill the baby before birth and ruin the mother's health, too.

The expectant mother should have her urine examined every few weeks. This should be done by the attending physician, or send sample to Dr. Pierce's Invalids Hotel, Buffalo, N. Y., for analysis. On receipt of twenty cents we will send you a mailing case in which to forward sample to us for an analysis.

For toning up weakened kidneys, Dr. Pierce's Anuric Tablets provide effective treatment, and a bottle should be kept in the house and should be used during expectancy and for a time after baby has come to keep the blood free from poisonous matter that might affect the little one during the nursing period.

If you have any trouble in procuring "Anuric" send 65 cts. to Dr. Pierce's Clinic in Buffalo, N. Y.

Every ailing woman may consult us by letter absolutely without charge. A member of our medical staff (all of whom are regular graduate physicians) will answer your communication. All replies are mailed sealed, without any advertising upon them.

The American of Tomorrow

AMERICA is rearing a race of vigorous boys and girls, many of whom if they keep their good health will be our great men and great women of the future. Youngsters are being taught that two things are of the utmost importance: plenty of good nourishing food and an abundance of sunlight and out-of-door exercise. American parents and grandparents know that the child who is naturally delicate or one who is rundown from overstudy is an easy prey to colds, grip and other germ diseases, and occasionally the young boy or girl is given the good tonic which parents themselves have often taken, namely, Dr. Pierce's Golden Medical Discovery. Druggists have it in both fluid and tablet form. It contains nothing harmful. Names of ingredients plainly stated on package.

Give the Children a Good Start

Train them from infancy to be regular in nature's most important daily function. Incomplete and irregular evacuations lead in time to chronic constipation and other ills. The mother should watch that her children expel waste poisons regularly, once or twice daily.

Dr. Pierce's Pleasant Pellets carry away body poisons in a mild and natural way and are as easy to take as candy. Children like them.

Every dealer sells Dr. Pierce's Pleasant Pellets—60 Pellets, 30c.

"Rundown, Weak and Nervous"

"Soon Pains and Aches Left Me"

Oil City, Pa.—"I was suffering with inward trouble that seemed to take away all the health and strength I ever had. I was rundown, weak and nervous, suffered so from backache and pains in my head that I was not able to attend to my household duties as I should. I took Dr. Pierce's Favorite Prescription and my trouble soon ended. The pains and aches left me and I began to feel fine. I do not think there is anything so good for weak women as 'Favorite Prescription.'"—Mrs. Jennie R. Mortimer, 109 W. Fifth St. All dealers. Tablets and liquid.

Ovarian and Fibroid Tumors

The Specialists of the Invalids Hotel in Buffalo, N. Y. have been unusually successful in treating tumors by Deep X-Ray Therapy, which is not an operation, does not require cutting or anaesthesia, is painless and does not confine the patient to bed. This treatment can be given in a modern sanitarium only, which is equipped with up-to-date electrical apparatus and has experts in its use.

In treating fibroid tumors with the X-Rays, the patient simply lies on a comfortable table for the required length of time, while the X-Rays are passing into the affected portion of the body.

All patients are not treated alike. An examination is made, and the manner of giving the X-Ray is adapted to the peculiar requirements of the case. Some need longer and stronger treatments, others, shorter and more frequent. Some are treated thru one area, others thru three or four.

One complete treatment by X-Ray may be divided into two, or more, applications

Dr. Pierce's Invalids Hotel and Surgical Institute

Buffalo, N. Y.

The foresight of Doctor R. V. Pierce led him to choose the city of Buffalo as the place for the manufacture of his Family medicines and the erection of the Invalids Hotel.

The site selected by Doctor Pierce is, at the present day, well within the business heart of Buffalo and is easily reached from all depots and boat landings.

The staff at the Invalids Hotel consists of twelve physicians, each one a specialist, and also a corps of analytical and dispensing chemists.

Write our Faculty in full confidence if you desire professional advice. There is no charge.

Every letter received by us is carefully considered, fully answered, and its statements held as strictly private and sacredly confidential.

Diseases of Women

So alarmingly prevalent are diseases peculiar to women, and so famous has our Invalids Hotel become for their treatment we were long ago obliged to create a Special Department, devoted exclusively to the treatment of these cases. The physicians and surgeons in this Department have made these delicate diseases their chief study.

There is every reason why women, especially, should not trust their delicate constitutions in the hands of unskilled persons. It requires a thorough medical education to appreciate and understand the womanly organism.

Barrenness or Sterility

is generally due to causes which can be easily removed, yet are not generally understood. Our specialists have devoted to this subject careful study. By their skill, stricture of the neck of the uterus, and other *impediments to the bearing of offspring*, have been easily and painlessly overcome, and hundreds of homes made happy.

Tumors

Every year many tumors which cannot be treated by deep X-Ray Therapy are removed by our surgeons who have acquired a national fame.

We invite correspondence by any woman afflicted with troubles of this kind, and our physicians will be very glad to answer any questions and give advice, without charge.

Diseases of the Kidneys

Scarcely any branch of medical work demands more skill and experience than the treatment of the diseases of the urinary organs. Recognizing these facts, we have associated with us physicians who have devoted years to the consideration of every phase of the various diseases of the urinary organs.

A special question blank designed to aid kidney sufferers in describing their symptoms will be forwarded to you on request.

Piles, Fistulae and other diseases affecting the lower bowels, are treated at Dr. Pierce's Invalids Hotel. Many cases of pile tumors are permanently overcome in about twenty days. Write for further particulars.

Some Diseases Treated at Home

Some diseases which do not require an operation can be successfully treated by us while the patients remain in their own homes. Since our experience has enabled us to judge of the nature and extent of the disease from a written description of the symptoms, and from answers to questions which we ask, we can, therefore, prepare remedies and send them by parcel post or express to suit each individual case.

All communications are *confidential* and great precaution is always taken by us to send all letters and medicines in plain packages, carefully sealed, so that no one can even *suspect* the contents, or by whom sent.

"Nervous System And Digestion out of Order"

Oswego, N. Y.—"About four years ago my digestive organs were impaired and I was too weak to get around to do my housework. I read an invitation to write the Faculty of Dr. Pierce's Invalids Hotel, Buffalo, for advice, which impressed me so that I immediately wrote, stating my case. I received an answer advising me to take Dr. Pierce's Golden Medical Discovery and 'Favorite Prescription,' alternately. I gained in health slowly but surely. I am now able to do my work with very little effort—am rarely tired or nervous."— Mrs. Arminta Hyde, 254 E. Second St.

usually given on successive days, and may be repeated in three weeks. Generally a third application is given three weeks later, and these three constitute a full course. As there may be some systemic reaction, it is desirable to have the patient under observation between treatments. There is usually no confinement to bed. In the ordinary case the patient remains in the Invalids Hotel about sixty days.

The X-Ray has a very decided action on certain kinds of tissues. Those of the female generative organs are particularly susceptible. Thru the effects of these rays on the ovarian and uterine structures the tumor soon begins to shrink, and in a few months there is a marked reduction in size or maybe a complete disappearance of the growth. During this time there is usually a great improvement in the patient's health in general, as the more severe symptoms are relieved and their weakening effects on the system removed.

If You Wish to Have That Sparkle in Your Eye, Animation and Attractiveness, Bear This in Mind—

Write Dr. Pierce, Buffalo, N.Y., if you desire free medical advice.

The skin Specialist in seeking the cause of a patient's troubles inquires minutely about the stomach and bowel action. If these organs do not function properly, local treatment is usually ineffective, the bloom of youth rapidly disappears, the breath becomes offensive, the eyes lose their sparkle, the complexion turns cloudy, disfiguring eruptions often develop, and the pep necessary to keep up with the requirements of modern life is lost.

Dr. Pierce's Pleasant Pellets meet the need in a majority of such cases. They tend to reinvigorate the whole digestive system and correct the irregularities of the stomach and intestines. Body waste, which, when retained has much to do with skin blemishes, is more rapidly eliminated and general good health and satisfactory skin conditions are favored.

These Pellets are sold by druggists, 60 for 30 cts. Put up in neat glass vials, easy to carry in your purse.

"Following Motherhood, Rundown and Nervous"

"Severe Bearing Pains"

Roanoke, Va.—"Following motherhood I was troubled with weakness, I was so rundown and nervous that I was barely able to get around. I had severe bearing pains and at times I would suffer such pains and distress that I was compelled to give up for several days—it seemed that I had pains and aches all thru my body. But after taking the 'Prescription' my trouble was at an end. It quieted my nerves and I have never since suffered any more distress."—Mrs. W. O. McCraw, 1502 Rugby Blvd., Route 2, Box 59.

Pale, Anemic Women,

You Need Iron in the Blood!

After an attack of grip or pneumonia or even a hard cold, the nourishing power of the blood is diminished.

If you feel weak and nervous, if your hands are cold and clammy, or if your skin breaks out in pimples or other eruptions, it is an indication that there is an abnormal condition of the system and you need a good blood builder and tonic. Dr. Pierce's Irontic Tablets will help Nature build up the red corpuscles. Instead of having pale cheeks, being tired and worn-out before the day is half over, after taking "Irontic" your cheeks will have color and you will feel strong and vigorous, ready for work.

This "Irontic" (iron-tonic) is compounded of soluble iron, nux, and herbal extracts, and is sold by most dealers. If your druggist's supply is exhausted, send 65 cents direct to Dr. Pierce's Invalids Hotel in Buffalo, N. Y., and a package will be sent you at once; or, for 10c a trial package will be forwarded.

"Was Too Weak to Get Around"

Mrs. Marjorie Tine and Daughter

Utica, N. Y.—"My mother advised me to take Dr. Pierce's Favorite Prescription. I had then been in bed nearly four weeks, trying each day to help myself but without success. This was during expectancy and the doctor had told us that he feared the outcome. Soon after I started taking the 'Prescription' I was able to retain my food, then I gained in strength rapidly. My baby is now a fine healthy child. (Picture shown here.) I feel grateful for my return to health, as well as for my dear little girl whom I might have lost."—Mrs. Marjorie Tine, 1027 Champlin Ave. Dealers.

No Strength after Grip

Jersey City, N. J.—"I am very glad to add my testimonial to that of others in recommending Dr. Pierce's medicines. I had the grip, was completely run-down, had no strength and nothing seemed to do me any good until I tried the 'Golden Medical Discovery' and the 'Pleasant Pellets.' Now I feel much stronger. I will gladly recommend these remedies to any one."—Mrs. R. Robinson, 111 Virginia St.
